

All Star Financial Commitment

Explanation of costs associated with competing in All Star Cheer

***Tuition cost-** This is a monthly cost that covers the training of your athlete. The tuition for the first and last month of the season will be pro-rated based on the start and finish date. Tuition includes team practices and team tumbling.

***July Tuition-** On July 31st through August 4th we will have Technique Camp at the Cheer 360 gym. This camp will run from 9am-3pm. Level 1 teams will attend 2 days and Level 2 teams will attend 3 days, with early drop off and late stay available for an additional charge. Students will bring their own lunch and drink. This camp will focus on proper cheer techniques for jumps, stunts, tumbling, and dance motions.

***Team Financial Commitment-** This is the cost associated with competition. These are fees Cheer 360 pays on your athlete's behalf in order for your athlete to compete. A break down of these costs are explained further below. **Families will be responsible for these fees even if your athlete leaves the Cheer 360 program before the end of the season.**

***Annual Registration-** There is a \$75 annual registration fee for every athlete.
