

All Star Financial Commitment

Tuition Cost

This is the monthly cost that covers the training of your athlete. The tuition for the last month will be pro-rated based on finish date. Tuition includes team practices and team tumbling.

July Techniques Camp

In July we have a mandatory team Techniques Camp. This will be semi-local, and will require a 2 night over night stay. Travel is not included in the camp price. Athletes will work on routine stunts, pyramid, dance, and will be drilled on 360 technique. Camp rallies and lots of team bonding make this a memorable experience. Camp tuition is included in the Team Financial Commitment.

Team Financial Commitment

This is the cost associated with competing. A breakdown of these fees are explained further on the next page. Families will be responsible for these fees even if your athlete leaves the Cheer 360 program before the end of the season.

Annual Registration

There is a \$75 annual registration or membership fee for every athlete that participates in services in our gym. This renews annually.

USASF Membership

A \$49 membership will be paid directly to our governing board, USASF. Memberships can be renewed and created at USASF.net. These need to be done by July 1, 2022

Monthly Tuition

**First sibling is full priced. Every sibling after receives a 30% discount.
Tuition will be billed the 1st of each month.*
