

# All Star Financial Commitment

## TUITION COST

This is the monthly cost that covers the training of your athlete. The tuition for the last month will be pro-rated based on finish date. Tuition includes team cheer practice and team tumbling.

## JULY TECHNIQUES CAMP

We have a mandatory Techniques Camp in July. This will be semi-local and will require a two-night over night stay. Travel is not included in the camp price. Athletes will work on routine stunts, pyramids, dance and will be drilled on 360 technique. Camp rallies and a lot of team bonding will make this a memorable experience. Camp tuition is included in the Team Financial Commitment (see below).

## TEAM FINANCIAL COMMITMENT

This is the cost associated with competing on a 360 All Star Cheer & Tumbling team. A breakdown of these fees are explained further on the next page. Families are responsible for these fees even if your athlete leaves the Cheer 360 team program before the end of the season.

## ANNUAL REGISTRATION

There is a \$75 annual / membership fee for each athlete that participates in any 360 services in the gym. This fee renews annually.
